Gentlemen:

Reference is made to my letter dated 15 February 1960, concerning the approval to purchase special radio equipment in the approximate amount of \$1500.00.

In order to clarify a misunderstanding, it is requested that you delete the first sentence of Paragraph 2 and insert in lieu thereof the following:

"It is understood that the purchase of the aforementioned radio equipment will be made from funds presently available in the task order and that funds to replace this expenditure will be provided in the near future."
